

Amendments to the Specification:

Please amend the specification as follows:

On page 22, please replace the paragraph that starts on line 13 with the phrase “Comparative Example C1” and ends on line 15 with the word “US002” with the following amended paragraph:

Comparative Example C1

Same procedure as in example 9, but using example ~~C2~~FES-2 ~~Docket No 57230US002~~ from U.S. Patent No. 6,649,272.
